

Eaves & Olson use BIG finales to take Titles in Women's Division @ Clayton

Jennifer Eaves & Marilyn Olson each used a big 245 final game to take the scratch & handicap crowns in the 4th Bowl Bay Area's Women's Division event held at Clayton Valley Bowl on June 5th.

A sidepot winning 259 in game 4 had put Eaves within striking distance and the before mentioned 245 was good for a 6 pin margin of victory & the \$260 prize that went with it.

Marilyn was also in 2nd place going into the final game and her 245 gave her a 50 pin win in the handicap division to win \$250.

After 4 games, Tona Porcayo was leading both divisions. However, the 207 she bowled in game 5 was her lowest game of the day and dropped her down a spot to finish in 2nd place in both divisions. Tona earned \$170 in each of the divisions for her runner up finishes.

Another dual finisher was Kristie Leong. Leong took 3rd place in each division. Her 1171 scratch total was good for \$100, while on the handicap side, the 1221 score was a winner of \$120.

Salena Montuya finished in 4th place for \$90 in the handicap division backed by a 267 in game 3. Lorrie Sims rounded out the scratch division cashers as she had 3 games in the 230's on her way to a 1119 total to win \$65.

Sabrina Gin (1163) & Stephanie Daniel (1156) rounded out the cash spots in the handicap division.
